

**FEATURES**

- Manufactured from lightweight aluminium
- 210 Bar working pressure

Contact Boss Hydraulics for the correct manifold

**CETOP 3 MANIFOLD**

Model	Description
3131-3030-10-16-H	Single CETOP 3 manifold - Horizontal mount
3030-10-16-H-K	Single CETOP 3 manifold - Vertical mount

**STACKABLE VALVE MANIFOLD**

Model	Description
3030-HDF-K	Stackable valve manifold - Horizontal mount
3030-VDF-K	Stackable valve manifold - Vertical mount

**SPACER**

Model	Description
3030-10-11-K	Spacer block - increases height of P & T ports by 31.75mm
